Subject: CBP/FWS Coordination Meeting in Imperial Beach July 13th
Date: Friday, July 07, 2017 5:21:41 PM

Patrick – CBP is planning for a coordination meeting related to a fence replacement project in San Diego on July 13th. We are attempting to reach out to the appropriate persons from Fish and Wildlife to invite them to the meeting. The purpose of the meeting is to inform FWS of the project and begin our environmental planning process. We have reached out to (b)(6);(b)(7)(C) but wanted to also check with you as to whether you or someone else from your office would be available to participate. Please let us know if we should reach out to anyone else in Carlsbad.

Thank you,
